(N) = students tested. *Statistics not reported for groups smaller than six. NOTES: Includes all students tested at location; statistics not based on state accountability subsets. Includes results for students testing for first time during current school year, i.e., spring retest results included ONLY if the student first tested in fall. Changes calculated before rounding. Change printed in green (red) if increase (decrease) is more than five percentage points. Statistics in this report may differ from previous versions due to coding or score changes. Feeder group statistics do not include scores from stand-alone choice or alternative schools. Statistics based on 2016 standards, now termed "Approaches Grade Level".
