(N) = students tested. *Statistics not reported for groups smaller than six. NOTES: Includes all students tested at location; statistics not based on state accountability subsets. Scores from students testing first time in current school year; thus, retest results included ONLY if student first tested in fall. Changes calculated before rounding. Change printed in green (red) if increase (decrease) is more than five percentage points. Statistics in this report may differ from previous versions due to coding or score changes. Statistics for traditional feeder groups (schools feeding to a comprehensive high school) do not include scores from choice schools.
