(N) = students tested. *Statistics not reported for groups smaller than six. ¹Scores through SECOND ADMINISTRATION. ²Includes results from Grade 7 PAP students.
 NOTES: Includes all students tested at location; statistics not based on state accountability subsets. Changes calculated before rounding. Change printed in green (red) if increase (decrease) is more than five percentage points. Statistics in this report may differ from previous versions due to updates in data files, such as score changes or ID corrections. Statistics for high school feeder patterns do not include scores from students in magnet or other choice schools.
